Application No. 09/814,034  
Filed: March 21, 2001  
Attorney Docket No. 25061A

ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed January 12, 2004, to revive the above-identified application.

The above-identified application became abandoned for failure to reply within the meaning of 37 CFR 1.113 in a timely manner to the final Office action mailed April 22, 2003, which set a shortened statutory period for reply of three (3) months. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the above-identified application became abandoned after midnight July 22, 2003.

In response to the final Office action, petitioner submitted with the instant petition \$1,330 for the petition to revive fee, a Request for Continued Examination (RCE), \$770 for the filing of the Request for Continued Examination and an amendment. The fees listed above have been charged to petitioner's deposit account, as authorized in the instant petition.

Since the requirements for a grantable petition have been met, the petition is **GRANTED**.

The application file is being forwarded to Technology Center 1700 for processing the Request for Continued Examination under 37 CFR 1.114, and for further review of the amendment filed with the instant petition.

Telephone inquiries concerning this decision should be directed to Andrea Smith at (703) 308-6711
